

SUBJECT : Art

PROJECT: Portraits

TERM: Autumn

YEAR GROUP

**7** 8 9 10 11

PROJECT OVERVIEW:

To study the work of either Picasso or Matisse, recreating three different versions of one of their paintings. Understanding the proportions of the human face and use of tone. Final piece combining artist style with own portrait

ASSESSMENT:

Three versions - self assessed  
Homeworks - teacher assessed  
Overall project - self and teacher assessed.

TASK:

In your sketchbook produce a portrait. This can be of your self or of a member of your family. You may decide to have more than one person in your portrait and to draw more than head and shoulders. You must however refer back to your proportions of the human face and your work must include tone. Use of colour is optional.
