

Design and Technology Homework Task

Subject	Design and Technology	
Module Title	Rose Vase - Resistant Materials	
Year Group - 8		Term - Autumn/Spring/Summer
<p>Context of the task This homework covers the area of researching what the user wants in a rose vase. It is to give you the opportunity to develop your research skills using a questionnaire designed by the pupil. The teacher will have discussed the task during a lesson prior to setting the homework.</p>		
<p>Objective of the Task</p> <ul style="list-style-type: none"> • to develop 10 questions for potential users • to develop a method of recording the answers to your questionnaire • to present the findings from the questionnaire using graphical techniques. 		
<p>Outline of the task In this task you must ask 10 people your questionnaire. You are to record the results in your exercise book using a system that you have developed. You are to produce a range of graphs (pie charts) and draw conclusions from your questionnaire.</p>		
<p>Expectations/Timing 2 homework sessions</p>		
<p>Suggested Resources</p>		
<p>Assessment Focus Peer assessment</p>		<p>Contact details Miss Brown Tel 01223 721844 cebrown@sawstonvc.org</p>
