

Year 7 Homework- Text Types

Objectives

To identify features of different text types.

Task

This worksheet includes examples of different text types. Your task:

- Identify the text type being used in each extract.
- Pick out a phrase from each extract that you think shows which text type it is.
- Extension Task- Find an example of two different text types from around your home and bring them in to share with the class. You must be ready to explain what text type it is and how you came to that conclusion.
